Class History Of 1960

It is a pretty September day in 1948. In twenty-five homes there are twenty-five mothers hurrying about trying to keep their children patient until the big yellow school bus comes.

When we stepped into Wren School for our first time it looked like a huge monster to us. Scared and bashful, we slowly walked into the first grade room, the girls giggling, the boys trying to be brave. Our teacher the first year at Wren was Mrs. Florine Schaad.

Our second year at Wren we were just as excited. We were anxious to see our little friends again. Starting with twenty-three classmates, losing five, gaining three with Mrs. Helen Germann as our teacher.

We were used to the idea of spending eight hours in school by the time we came to the third grade room. With twenty of us rascals, losing six, gaining three, Mrs. Monroe had her hands full as teacher.

Much to our surprise when we entered the fourth grade we found ourselves in the same room with Mrs. Monroe again as our teacher. That year we started with seventeen, losing four and gaining one.

During our fifth and sixth year at Wren, we were very happy to move to a different room. Under the supervision of Mr. Adrian Kisor. In the fifth grade we had seventeen students. Losing one, gaining one. The sixth grade we were happy not to lose any of our classmates.

Finally the year of 1954 came. We were able to climb the long flight of stairs to the seventh grade. We were in study hall with the high school students. Some of us were so frightened by the idea of being upstairs, we wouldn't walk in front of the study hall to sharpen our pencils. Mrs. Edna Palmer, our sponsor, had twenty-one to cope with. We gained four and lost none.

Our eighth year we had a class roll of twenty, gaining two, and losing one. Miss Palmer was our sponsor for the second year.

Being freshmen in high school at last, we could be included in many of the activities. A skating party was given for us to show we were welcomed by all. Miss Palmer, we're happy to say, was able to stay on with us. We had nineteen wonderful classmates that year, gaining three, losing four.

Our sophomore year we were still thrilled by the idea of being under the direction of so many teachers. Our main goal now was to make money for our well awaited class trip. Mr. Jack Schaffner was marvelous as our sponsor trying to please all nineteen of us. None were gained nor lost.

Class play, Junior prom and class rings thrilled us as we entered our junior year at wonderful Wren High School. Under the direction of Mr. Amers, we proudly presented "Shoot The Works," our Junior class play. The nineteen of us, losing one, gaining one, joyfully jumped into the work of our Junior-Senior Prom. The title was "Song In My Heart." Mr. Daniel Helpfey served us well as sponsor.

Seniors! Some will laugh, some of us will cry as we will be the last class to graduate from Wren High School. We are very honored to be able to publish the last annual of Wren. There will be nineteen to graduate May 27, the last class to be able to cross the stage to receive our diplomas. I'm sure everyone will always remember the fun and sorrow we have shared at Wren.

GOOD-BYE WREN!

Twelve Years At Wren

Twelve years ago, these eleven members of the class of 1960 met in the first grade room. Since then, we have shared much laughter and many hardships. The memories of these years together will long be cherished by each of us.

These students were in charge of the library this year. It was their job to see that the books were kept in order and the library kept clean.
